IV: Summary of Comments and Responses

(1) Subject Matter: Fees (1)

(a) Cyndi Gibbs

Comment: A question was asked...Would a student be required to pay \$100 for a temporary license and then pay \$100 when they get a permanent license.

(b) Response: The Board of Medical Imaging and Radiation Therapy response to this question is: Licensees holding a temporary license shall be converted to a permanent license upon receipt of documents showing successful completion of their certification exam. No additional fees will be required provided their temporary license has not expired prior to receipt of that documentation. Individuals who have not provided documentation of successful completion of their certification exam prior to expiration of the temporary license shall re-apply for a permanent license upon successful completion of their certification exams as temporary licenses are non-renewable.
